用途說明 Purpose of Use							
GPU	□ V100S	☐ RTX600	00				
系統環境		18.04					
System Environment	Ubuntu	20.04					
注意事項 Notes:							
注意事項 Notes: 1. 本服務僅限教職員申請,一人僅限申請一張。 This service is only available for faculty and staff members. Each person is allowed to apply for only one GPU. 2. 7/100S 只要说,PTK9600户44强,请参剧排程表(https://ncu.edu.tw/q/gpu-sch) 選擇 GPU,若選擇的 GPU 排程已滿,將提供其他 GPU 使用。 There are 2 V100S GPUs, and 4 RTX6000 GPUs. Please refer to the schedule (https://ncu.edu.tw/q/gpu-sch) to choose a GPU. If the selected GPU is fully booked, another GPU will be offered. 3. 機器預先安裝作業系統及系統環境效定,提供使用者具管理權限帳號,以遠端登入方式操作,自行安裝所需程式。 The machines come with the operating system and system environment pre-installed. Users will be provided with administrator privileges for remote login and will be responsible for installing necessary software. 4. 電算中心僅提供資源借用,請自行傷分資料,並管理好系統的安全,忽不負擔保管之責。 The Computing Center only provides resource borrowing services. Please back up your data and manage the system's security. The center is not responsible for data storage. 5. 借用時間以三個月為限,被延長期限電視資源狀況及是否有其他老師預約決定,若無人預約,將詢問是否延長一個月,若有人預約,會在通知後兩星期將 GPU 資源收回。 The borrowing period is limited to three months. Extensions will depend on resource availability and whether other faculty members have made reservations. If no reservations are made, you will be asked if you would like to extend for an additional month. If there are reservations, the GPU resources will be reclaimed two weeks after notification. 6. 本服務以支持本校教學、學術研究活動、公務行政為主要目的、請遵守任何適用之國家制討法律規章、教育部「台灣學術網路使用規範」及中央大學「校園網路使用規範」。 This service is primarily for supporting the university's teaching, academic research, and administrative purposes. Please comply with all applicable national laws, the Ministry of Education's "Taiwan Academic Network Usage Regulations," and the Central University" Campus Network Usage Regulations." 7. 基於管理與統計會表,電單中心有關鍵度與使用表述。 For management and statistical purposes, the Computing Center may use remote connections or an agent to monitor GPU usage. No other information will be collected. 8. 電戶人報告,中心有量整理是一個日本的社会的概念,但可能使用的表述的是可能使用的工作。 The Computing Center reserves the right to modify the
